

Judaism, Islam and Christianity – Comparing Tables of Thought  
By Merciah Mazhar

---

- I. Images – Imagine a Syntax – Quad in Sirohi and Scenes like Eyelids
  - II. Hebrew Images are of Sirohi or Mohammad – Christ for Christians.
  - III. Produce a Flow – a set of principles – Kabbalah, Sex, Drugs and Dialogues in the sense of Love.
- 

- I. A Genius set of Jewish, Islamic or Christian comments

Examples – Write an essay on Jewish films, or Arabic Jewish films, it is about a montage, which is like Aijaz which then is re-formalized again and again.

- II. Set it in a room, or a mansion which is a room set.
- 

Other films imagined by Sirohi – Munich, and even Israel being-towards-revolution.
